

2008-2009 Mid-Continent Section

New Memberships on the Rise Again!

The Mid-Continent Section SPE adds TWELVE New Members in March! Bringing the current membership roster to 972 total members, an increase of over 15.5%! Once again, we would like to thank Baker Hughes/Baker Hughes Centrilift for supporting the Mid-Continent Section SPE, with (6) new members joined during March.

SPE Membership Contact Information

To ensure member records are current, we ask that all contact information changes, including e-mail addresses, be submitted promptly to SPE. Effectively providing member services and mailings such as the JPT and other publications, meeting announcements, etc. depends on the accuracy of member information. There are several SPE programs which require e-mail addresses; however, SPE lacks e-mail addresses for a significant number of SPE members. You may update your member contact information online at www.spe.org or by contacting SPE customer services at 972-952-9393 or via e-mail at service@spe.org.
